| Freeciv-web is unable to calculate expected income. It therefore patched an extra field into the player_info packet.<br>Introduce the new packet web_player_info_addition and give it an expected_income field. |                       |                        |           |
