

## Freeciv - Feature #847678

### Export parts of common to Freeciv-web

2019-11-17 12:27 AM - Sveinung Kvilhaugsvik

<b>Status:</b>	New	<b>Start date:</b>	
<b>Priority:</b>	Normal	<b>Due date:</b>	
<b>Assignee:</b>		<b>% Done:</b>	0%
<b>Category:</b>	Freeciv-web	<b>Estimated time:</b>	0.00 hour
<b>Sprint/Milestone:</b>	3.1.0		
<b>Description</b>			
Freeciv-web needs requirement vector support, path finding support etc. Freeciv has this. Use the Emscripten support to export at least some functions from common in a way that makes them callable by JavaScript. Requirement vector support and path finding can be done as follow up patches.

re-bumping this to be looked at again...

now that FCW has road-connect (in the "live server" repo), irrigate-connect, getting some of these /freeciv/common code functions will really be more liberating
